

CPTC 11 – Client Kickoff Question Sheet (All Ports Tours)

For internal use during CPTC 11 client briefings. Circle answers where applicable and add notes below.

1 Business Context

Q1. How do cybersecurity and IT risk management tie into APT's broader business priorities — like guest experience, operational safety, and digital transformation?

☐ Guest Experience ☐ Operational Safety ☐ Digital Strategy ☐ Other

Q2. What are the most critical business processes that could be disrupted by an IT or network outage, even if they don't directly threaten passenger safety?

☐ Payments ☐ Logistics ☐ Customer Service ☐ Shipboard Ops

2 Technical Depth & Scope Nuance

Q3. You mentioned a possible future migration to Entra / hybrid AD — would you like us to provide informal observations on related configurations or readiness during our assessment?

☐ Yes ☐ No ☐ Maybe Later

Q4. Are there areas of your infrastructure (shipboard, on-prem, or connectivity systems) where you currently have limited visibility or monitoring that you'd like us to pay special attention to?

☐ Shipboard ☐ On-Prem ☐ Connectivity ☐ Other

3■ ■ Detection & Response

Q5. How does your MSSP coordinate incident response with shipboard or shoreside staff, and would feedback on that detection workflow be valuable to you?

■ Yes

■ No

■ Unsure

Q6. If we identify an urgent or high-risk issue during testing, what's your preferred process for immediate notification or escalation?

■ Ticket System

■ Direct Email

■ Phone Call

■ Other

4■ ■ People & Process

Q7. Have there been any recent changes or challenges in your crew or staff cybersecurity training that you'd like validated or strengthened through this assessment?

■ Yes

■ No

■ In Progress

Q8. How do you currently vet and monitor third-party vendors or contractors with system access, and should that process be part of our recommendations?

■ Include

■ Exclude

■ Discuss Later

5■■■ Reporting & Advisory

Q9. For the final deliverable, would you prefer we emphasize prioritized remediation recommendations or provide broader strategic insights (e.g., architecture or process improvements)?

☐ Remediation ☐ Strategic Insights ☐ Both

Q10. After the competition, would a short debrief or lessons-learned discussion be helpful for your leadership team to contextualize results and identify next steps?

☐ Yes ☐ No ☐ Maybe
